

VII. DATES OF PUBLICATION AND BIBLIOGRAPHICAL NOTES
(continued from p. 1801)

L i n d l e y, J o h n & J. P a x t o n, Paxton's Flower Garden. 3 Vols, 1850-1853. Revised by Thomas Baines, 1880-1885.

Cf. Leslie A. Garay, *Taxon* 18 (1969) 711-712.

The work never proceeded beyond the third volume. A complete enumeration of volume, fascicles, pages, and plates with pertaining date of publication (month and year) is given for the original work, as well as for the revised edition.

L o d d i g e s, C o n r a d & S o n s, The Botanical Cabinet. 20 Vols, 1817-1833.

Cf. Leslie A. Garay, *Taxon* 18 (1969) 709-711.

The dates on the title pages are often inaccurate and misleading. Garay gives an enumeration of all fascicles, each existing of 10 plates, with the month and year of publication.

T r a n s a c t i o n s L i n n e a n S o c i e t y, L o n d o n, S e r i e s I (1791-1875).

Cf. S. Raphael, *Biol. Journ. Linn. Soc.* 2 (1970) 61-76.

Evidence for the dates of publication of the parts of the Transactions of the Linnean Society of London, Series I, 1791-1875, has been collected from the Minute Books of the Linnean Society, the Journal Books of the Royal Society, The Times, Bent's Monthly Literary Advertiser, the Bookseller, the Gardener's Chronicle, and the Athenaeum. Dates have been traced for all parts except five, and two of those may have been issued with other parts that have been dated.
