

NOTE XXXVIII.

SYNONYMICAL REMARKS ON MADAGASCAR
CETONIIDAE.

BY

J. R. H. NEERVOORT van de POLL.

1. *Coptomia iridoides* Krtz. (Deutsch. ent. Zeit. XXVII (1883), p. 382) = *Coptomia apicalis* Waterh. (Ent. Mo. Mag. XV (1878), p. 86).
2. *Coptomia Hildebrandti* Krtz. (l. c. p. 381) = *Coptomia rufo-varia* Waterh. (Trans. ent. Soc. London. 1880, p. 60).
3. *Pyrrhopoda mantis* Krtz. (Deutsch. ent. Zeit. XXIV (1880), p. 312) = *Coptomia marginata* Waterh. (Ann. a. Mag. Nat. Hist. (5) IV (1879), p. 81).
4. *Pyrrhopoda cyanescens* Krtz. (l. c.) = *Coptomia marginata* Waterh. (l. c.).

NB. I compared specimens of the above mentioned species, which I received from Dr. Kraatz himself, with the types of Mr. Waterhouse at the British Museum.

Mr. Waterhouse kindly forwarded me the following synonymical observations.

5. *Pygora costifer* Waterh. (Cist. Ent. II (1878), p. 292) = *Euchilia quadrata* G. & P.
6. *Anochilia punctatissima* Waterh. (Ann. a. Mag. Nat. Hist. (5) IX (1882), p. 323) = *Anochilia scapularis* G. & P.
