

FLORAE MALESIANAE PRECURSORES XVIII
SOME NEW TAXA IN CONNARUS

by

P. W. LEENHOUTS

(Flora Malesiana Foundation, Leiden)

(Issued Oct. 2nd, 1958)

Connarus euphlebius Merr.

var. **bullatus**, nov. var. — Ramuli novelli ferrugineo-velutini. Folia 1—3-juga; foliola bullata. Folliculi inconspicue rostrati.

Typus: *Kostermans 4928* (fl., fr.), E. Borneo, Sangkulirang island, alt. 20 m (Holotype in L; Isotypes in BO, K).

subsp. **moluccanus**, nov. subsp. — Differt a subsp. *euphlebio* praecipue characteribus sequentibus: Foliola basi non peltata, supra in costa et interdum in nervis secundariis tomentella, glabrata, costis secundariis utrimque c. 8, partim arcuatim conjunctis. Petala glabra; stamina interiora staminodialia, filamentis omnibus glabris.

Typus: *Atje 352* (fl.), Moluccas, Taliabu island, Cape Likitobi (Holotype in BO; Isotype in L).

Connarus lamii, nov. sp.

Ramuli glabri. Folia unifoliolata ad bijuga, subglabra. Foliola oblongo-ovata vel ovata, 12—20 × 5—9 cm, rigide chartacea, basi rotundata vel cordata, plerumque subpeltata, apice acuminata; nervi secundarii utrimque 6—8; nervi tertiarii transversii densi inconspicui. Inflorescentiae paniculatae, 20—30 cm longae, ramificationibus breviter et dense ferrugineo-tomentosis; bractee deltoideae, minutae. Sepala elliptico-oblonga, acuta, 3 × 1 mm, utrimque parce tomentosa. Petala ovato-oblonga, 4—5 mm longa, extus parce pubescentia, intus dense glanduloso-tomentosa. Stamina omnia fertilia.

Typus: *Feuilletau de Bruyn 160* (fl.), W. New Guinea, Mamberamo, alt. 6 m (Holotype in BO).

Connarus winkleri Schellenb.

subsp. **philippinensis**, nov. subsp. — Differt a subsp. *winkleri* praecipue characteribus sequentibus: Ramuli murini. Foliola tenuiter coriacea, apice caudato-acuminata, acutiuscula. Fructus 2½ × 2¼ cm, satis applinati, stipite ¼ cm longa suffulti; pericarpium tenue lignosum.

Typus: *Elmer 13411* (fr.), Philippines, Mindanao, Agusan prov., Cabadbaran, Mt. Urdaneta (Holotype in L; Isotypes in A, BO, E, FI).

Paratype: *R. S. Williams 2133* (fr.), Mindanao, Zamboanga prov., Sax river.
