

#### **IV. RESEARCH AND PUBLICATIONS**

*(continued from page 483)*

A survey of the flora and vegetation of **Coron Island, Palawan** is in the process of being written up at PNH.

A **Dictionary of Philippine Plant names** is under the final touches at PNH. It will be printed at the University of Hawaii.

**Florula of Marilog** — Dr. J.J. Pipoly III (BRIT) intends to assist in the writing of a florula of a number of permanent forest plots in the Marilog District, North Cotabato Province, Mindanao, Philippines, together with Dr. V.B. Amoroso (Central Mindanao University).
